The Fund is not issuing audited financial statements for the year ended March 31, 2009, because the Fund is in liquidation; however, KPMG has advised the Fund that it will continue to perform "agreed upon procedures" in connection with the distributions to shareholders as the Fund is liquidated. You can obtain information about the Fund's net assets and expenses in periodic postings on our website at www.TheR.com. You can also visit our website for a list of [fund holdings](#), which is updated daily.

¹ Expenses shown do not include unpaid litigation expenses and certain other extraordinary expenses that are subject to approval by the Board of Trustees. If these amounts were included, the expenses shown would be higher. Accrued fund expenses shown are for the period September 15, 2008 through November 10, 2009.

² This amount excludes management fees on net assets represented by unfunded redemptions for the period September 15, 2008 through December 23, 2008. For the period December 24, 2008 through November 10, 2009, management fees were accrued based on net assets, reduced by unfunded redemptions and distributions made to shareholders on December 30, 2008, February 26, 2009, and September 25, 2009 in the amount of \$800 million, \$185 million, and \$60 million, respectively. Accrued management fee payments on unfunded redemptions are unpaid; all such payments (including those not shown for the period September 15, 2008 through December 23, 2008) are subject to approval by the Board of Trustees. The amount shown is after management fee waivers of \$1,310,914 by the Investment Advisor. (Previous editions of this press release reported an amount *before* the management fee waivers.)

The amount shown is an aggregate total for the Fund, which will vary by class as the table having outstanding shares as the table below illustrates:

Reserve Yield Plus Fund – Management Fees	Ticker Symbol	Totals as of 11/10/09	% of Assets ⁷ as of 11/10/09
Liquidity Class I	RYPJX	\$ —	0.00000%
Liquidity Class III	RYPYX	\$ —	0.00000%
Class Treasurer's Trust	RYPTX	\$28,258	0.07905%
Class R	RYPQX	\$235,410	0.65854%
TOTAL		\$263,668	0.73759%

- ³ 12b-1 fees shown are an aggregate for the Fund, but only apply to the Class R share class. This amount excludes unpaid 12b-1 fees on net assets represented by unfunded redemptions for the period September 15, 2008 through December 23, 2008. For the period December 24, 2008, through February 20, 2009, 12b-1 fees were accrued based on net assets, reduced by unfunded redemptions and distributions made to shareholders on December 30, 2008, February 26, 2009, and September 25, 2009 in the amount of \$800 million, \$185 million, and \$60 million, respectively. Accrued 12b-1 fee payments on unfunded redemptions are unpaid; all such payments (including those not shown for the period September 15, 2008 through December 23, 2008) are subject to approval by the Board of Trustees. The Board of Trustees voted on February 20, 2009 to terminate the Fund's 12b-1 Distribution Plan.
- ⁴ This amount equals (i) the value of the Fund's investments, excluding the Fund's investments in securities of Lehman Brothers Holdings, Inc. (the "Lehman Paper"), plus (ii) cash held at the custodian bank, plus (iii) interest receivable as of November 10, 2009, excluding interest receivable on the Lehman Paper, minus (iv) the unrealized depreciation on the included investments in the amount of \$72,774. The Fund currently holds Lehman Paper with a stated par value of approximately \$30 million, the fair value of which is uncertain at this time (although believed to be greater than zero). The Board believes that, in light of the size of the Fund's holdings of Lehman Paper and the absence of reliable market quotations for Lehman Paper of comparable size or other reliable indicators of the value for the Lehman Paper, it would not be advisable to ascribe a value to the Lehman Paper for purposes of presenting the information in the table. Accordingly, the value of the Lehman Paper has been excluded from the table, which has the effect of potentially understating the amount of the "Remaining Fund Assets" and related calculations set forth in the table.
- ⁵ Includes income received by the Fund from December 23, 2008 through November 10, 2009, net of the accrued expenses detailed above. The amount of the Fund's undistributed net income may decrease when the expenses noted in footnotes 1, 2 and 3 are determined.
- ⁶ Shares outstanding equal (i) those outstanding at 8:00 a.m. on September 15, 2008, minus (ii) those that were redeemed in cash or that exchanged into other Reserve funds on or after September 15, 2008, plus (iii) those purchased on and after September 15, 2008.
- ⁷ Percentages are based on total net assets, reduced by unfunded redemptions and distributions made to shareholders on December 30, 2008, February 26, 2009, and September 25, 2009 in the amount of \$800 million, \$185 million, and \$60 million, respectively.
